

National Environment Management Act, 1998
Act No. 107 of 1998

Effective 31 March 2025

Deadline 31 March 2026

All dental facilities are required to comply with best management practices and requirements to operate and maintain an amalgam separator according to its manufacturer's recommendations, as required by the Act.

5. Phasing-down dental amalgam

- (1) Dental amalgam may only be used in pre-dosed encapsulated form which may not exceed 0.58 ml.
- (2) A person or an organ of state that owns or is in control of a dental facility in which dental amalgam is used, or where dental amalgam fillings or teeth containing such fillings are removed, must ensure that their facilities are equipped with amalgam separators for the retention and collection of amalgam particles, including those contained in used water.
- (3) The dental facilities referred to in subregulation (2) must ensure that amalgam separators in use from 1 April 2026, provide a retention level of at least 95% of amalgam particles.
- (4) Amalgam separators must be maintained in accordance with the manufacturer's instructions to ensure the highest practicable level of retention.
- (5) A dental practitioner may not release amalgam directly or indirectly into the environment under any circumstances.
- (6) A person or an organ of state that import or export dental amalgam capsules, must develop a Mercury Phase-down Plan for dental amalgam.

AMALGAM SEPERATOR

- Global certification, TUV tested, complies to BS EN ISO 11143
- 2 year parts warranty
- This is Europe's most cost effective Amalgam separator
- Not electrical (no power required)
- No running costs
- No maintenance
- No servicing
- No hidden costs
- Separate Installation (dependent on location etc)
- Silent operation
- 100% recyclable
- Fits both dryline and wetline suction systems
- No rotors/collector cups
- Easy fit
- Up to 2 years usage without needing to be recycled
- Dimensions:
 - Height – 44cm (18 inch)
 - Diameter – 25cm (10 inch)
- Supplied with all the required fittings
 - 2 metres of hose
 - 1 x 1 ¼ inch universal waste pipe connectors
 - 4 hose clips
 - 2 adaptors (hose to universal waste fitting)

R 6,900

Excludes Shipping and installation costs

Size 1
